

Business Overview

StarReach® One

**Tower
Project**

SkySpire Tower
*"Where Earth Meets
the Stars"*

A Visionary Project by Bruce Goldwell

StarReach© Tower

Project Preview Brief

✦✦ Vision Snapshot

StarReach© Tower is an iconic, futuristic destination concept poised to become a major landmark and attraction in Florida.

Inspired by the marvels of space exploration and cutting-edge innovation, the tower merges immersive experiences, eco-conscious design, and a high-tech visual signature to deliver an unforgettable journey for visitors of all ages.

✦✦ What Makes It Special

- **300-ft Architectural Marvel** – Designed to glow at night, a signature of modern innovation
 - **Prime Location** – Positioned for visibility of **SpaceX launch sites** and major tourist routes
 - **SkyDine Experience** – Elevated fine dining with breathtaking panoramic views
 - **Futuristic Features** – Lobby, gift shop, immersive dome theater, botanical atrium
 - **Multi-Purpose Appeal** – Tourism, education, events, and special celebrations (including weddings)
-

✦✦ Development Status

The project is in the **design and concept phase**.

We are currently inviting **strategic partners**, **seed supporters**, and **visionary collaborators** to join the effort of bringing StarReach© Tower to life.

All project details, mockups, site plans, and floor-by-floor visuals are **available exclusively** to interested parties **upon completion of a Non-Disclosure Agreement (NDA)**.
